

Little Roos Newsletter

April 2018

Welcome to the Little Roos High Wycombe Newsletter

We hope you all had a wonderful Easter?

As it is now the end of the Spring Term this means another **Parents Consultation evening** is upon us. It is booked in for **Thursday 10 May 2018**. This is a great opportunity to see your child's progress in Spring Term. As before, appointment slots will be available to book on the parent board.

Little Roos have arranged a **Parent First Aid course** with training company **Early Years First Aid** on **Saturday 28 April 1-4pm** in nursery. The course will teach you all the essential skills in order to save a life and keep your little ones safe. It costs **£15** per person, with refreshments provided and plenty of opportunity to ask questions. If you wish to participate, please write your name on the attendance list on the parent's board.

Staff Movements

Sadly, Elsa Hodgson's last day with us will be on **Wednesday 18 April 2018**. We are actively recruiting, so please watch this space. If you have any queries relating to your child's Key Carer, please speak to a member of staff. We wish Elsa all the best!

Jumping Roos: Are enjoying exploring the garden in the warmer weather; The babies have had lots of fun in the sand pit emptying and filling containers, exploring texture by adding water to the sand and noting the changes.

Little Wallabies: Are mark making with different media and materials. The children made beautiful canvas displays by mixing different colours, using brushes, sponges and their hands.

Little Explorers: Are enjoying self-registration in circle time, finding their names to place on the board. Make words and letters available at home for the children to recognise.

Big Kangas: Have been enjoying making assault courses in the garden and observing the effects of their bodies after! We request that children only bring their toys from home on 'Show and Tell' days; Tuesday and Fridays. Thank you!

Holiday Season:

Please email us to let us know if you will be away on holiday or/and not attending nursery. Please email us photos of your special outings, so we can use them as a talking point when doing circle time.
