

Little Roos Newsletter

May 2018

Welcome to the Little Roos Hazlemere, High Wycombe

We hope you enjoyed the lovely weather over the bank holiday weekend. We remind you with the **warm weather**, children must have weather appropriate labelled clothing in their bags: hats, creams, shorts. The children like to cool down with lots of water play in the summer so please feel free to provide water proof sandals and costumes.

New **summer menus** have been introduced this month and are already proving popular with the children. Please see the parent board displaying all the tasty meals for the 6 week cycle.

We politely remind you, that you are **not to drive on site** between **8am and 5pm** to drop and pick up the children. This is to ensure that the safety of all children, parents and staff who share the site are met. Thank you.

Graduation: The time is approaching where Big Kangas will be moving forward with their journey to 'big school'. Parents are invited to join us for the leaver's graduation on **Friday 8th June 2.00pm to 4.30pm**. We have organised a professional photographer who will be joining us to take individual and group photos of the **Little Roos Class of 2018!** We also remind parents that they need to give one month written (email) notice of leaving.

Staff Movements: Little Roos HW will be welcoming **2 new qualified staff and an apprentice** to join the team in June. A more detailed staff update email will be sent to all parents shortly. Please see the Nursery Manager, **Kelly Woodroffe**, if you have any queries.

Jumping Roos: Have been developing gross motor skills through throwing, rolling and catching. Enjoy practicing this at home too in the warm weather!

Little Wallabies: Have been focussing on encouraging independence, for example using a tissue, putting shoes on independently and putting on their own coat. Please help us by encouraging this at home also.

Little Explorers: Are looking at their body functions and understanding their needs, like water in the warm weather, food when they are hungry, becoming breathless/increase of heart rate when they exercise!

Big Kangas: Have been learning about road safety, understanding traffic lights systems and the importance of looking both ways. Please look at Big Kangas beautiful display to see how this has been implemented in learning through a lovely variety activities! **Activity at home:** Point out road safety signs with your children so they can learn what they mean.

Nursery Events (please check parent notice board also):

- The children will be learning about **Ramadan**, sharing cultural differences through exciting planned activities in each room. Please join us on **Friday 18th May** dressed in **bright clothing** to commemorate the **Royal Wedding** too. Please donate £1 on to our **Nursery Garden Fund**.
- **Scrumys:** Please let staff know if you wish to enrol your child onto Mays rugby sessions on **Monday 10.15-11am**.
- Staff have just attended **Jolly Phonics Training** as part of their on-going professional development plan, which will be implemented across all the nursery.

"Nurturing the New Generation"
