It's now that time again for our end of Summer term, **parent consultation** which will be held on Thursday 6th September 2018. Please see below for more information on this...

Thank you to parents and children that joined in the most amazing school leaver graduation celebration. We would also like to say farewell and good luck to our 'big school' leavers...

Improvement Plan Update

New garden resources to help with the children's gross motor skills. The children particularly like the new slide and trampolines. We are re-designing the sand kitchen with the children's input and have also invested into our kitchen play equipment resources.

Dayshare and Parent Portal : Our new email communication system and Parent Portal trial/training has commenced. Coming soon to you!

Jumping Roos: Have been learning about animals on Old Macdonalds farm whilst moving rhythmically to music during musical movement.

Little Wallabies: Are counting 1-3 and incorporating this with different size blocks to count as they build towers. We will help learning the sequence of counting by including this in daily routine, such as counting how many times the children jump on the trampoline,

Little Explorers: Have been having lots of fun getting messy exploring texture! The children loved spaghetti play and furthered learning using it hard in playdough and soft for gloop.

Big Kangas: Are enjoying rein acting their favourite fairy tales through dressing up and acting out the stories with prop. Big Kangas then enjoyed making up their own story involving paw patrol, a princess in a tower and 'supertato' to the rescue!
