

Little Roos Newsletter

March 2018

Welcome to the Little Roos Hazlemere, High Wycombe

We hope you had a lovely Mother Day and liked your gifts?

We would like thank you for your understanding and co-operation with the changes to the nursery service as a result of the snow and extreme weather at the start of the month.

Despite the bad weather, World Book Day on 1 March was a great success. Thanks to parents and staff for all the costumes.

Now Easter is upon us, the children will be enjoying several activities leading up to this, such as egg hunts, creative creations and baking. We have some budding chefs among us!

Parent Reminder: Safeguarding children on-site

Parents are not allowed to drive their cars onto the Manor Farm school site / or use the car park between the hours of 8am to 5pm. Only staff are permitted to park on the school site. These 'site access' rules are detailed on the entrance signage and Manor Farm/ Little Roos Terms and Conditions.

Jumping Roos: have been enjoying 'Sensory sound and rhythm' using treasury baskets to explore texture and sensory toys, with bubbles and music to express musical movements.

Little Wallabies: are enjoying learning Makaton sign language at circle time. The children have learnt, several new signs this week, focusing on 'hello'.

Little Explorers: are now getting used to self-registration in the mornings, recognising letters from their names and enjoying tracing around letters. Please try to continue this at home by making letters visible for children to recognise.

Big Kangas: have been learning their Jolly Phonics; sounding out and creating three letter words for 's,a,t,p,i,n'. The children have enjoyed exploring the room and garden for objects beginning on the sound of the week. The children have also enjoyed mark making in flour and gloop to write letters.
